### PROGRAM

#### 10.30 AM TO 4.30 PM

**10.30: Social Model of Health:** Discussion on theory & philosophy of the Social Model of Health and its applicability in the Indian context.

**11.30: Best practices in Health Care delivery:** Participants will learn from lessons of successful & unsuccessful projects & programs conducted in Australia and in India.

#### 1.00 – 2.00: Lunch Break

**2.00: Innovation in Health:** Expanding an idea into a community project or a service? Illustration of the process using examples of innovative community projects conducted in Australia.

**3.00: Sustainability of projects:** Securing ongoing funding, examples of successful funding models from Australia/India/global.

**3.30: Knowledge to Action:** Round table discussion on strategies to encourage innovation in Health; ideas about further work and future developments.

**Individuals working with NGOs and other Health related services, who are enthusiastic and committed to promoting Women's Health and Social Change, will benefit by participating in these workshops.**

**A certificate will be presented to each participant on completion of the workshop.**

### Facilitated by Shobhana Chakrabarti

Shobhana worked as Director of Ishar, Multicultural Centre for Women's Health in Western Australia for 12 years from 1994 to 2006. During her 16 year long career in Australia, she skillfully managed a diverse and multilingual workforce and developed over 40 innovative community projects in Health, Family Support, Education, and Employment. In 2003, Shobhana was presented with the prestigious WA Women's Fellowship Award and in 2005 she received the Catherine McCauley Leadership Enrichment Award. She has traveled to countries in Asia, Europe, USA & Africa to undertake various projects & to participate in international committees & conferences. Shobhana is the author of 'Sangam' a book on Inclusive Leadership.
