| Diazepam Tab IP 5 mg | 1.90 | 10 tablets | 29.40 |
| Amikacin 500 mg | 6.95 | 1 Injection | 70.00 |

Large gap between manufacturing price & MRP !!!!!!
Huge profits - at the cost of the poor.

"People have to pay ten to hundred times more than actual price for the same medicines when paid out of their pocket!!"

*Nexus
between pharma companies
and health care providers
has to be broken.*
